	Drive Thru History	Troester/Schnelle	Conference Room
November 28	Thanksgiving Weekend, No Sunday School or Adult Bible Class		

Class Descriptions

LCMS Convention, an Update: Did you know that at the LCMS Convention in July our church body elected a new president, dramatically reorganized mission agencies, and made other critical changes to our structure? In this class you will receive an overview of the changes in our Synod and explore what it will mean for Beautiful Savior. The Pastors will lead this class in the Sanctuary.

Emergency Preparedness: As part of phase 1 of Eastern Jackson County’s Faith-Based Safe Church Shelter Program, we will be training of all church membership in the **‘Ready in 3’** emergency preparedness principles. Phase I training is for all members and will be accomplished by Austin Dukes as part of his Eagle Project on August 29 (FLC) and September 12 (Sanctuary). All members, including youth, should attend one of these sessions! In addition, BSLC is conducting a charitable outreach project. BSLC will be collecting donations to make 30 Emergency Preparedness Kits for individuals or families that are disabled and/or are under extreme financial hardship. Austin Duke’s Eagle Project will assist with collection of donations, assembly, and distribution of these ERP kits to those identified by the BSLC pastors.

Drive Thru History: Blow the dust off the pages of history with this fast-paced and often hilarious look at world history with Host Dave Stotts. Travel through ancient Greece, Rome, and Turkey as you step out of the classroom and into a time capsule of what life was really like back in ancient days. This isn’t your typical museum curator approach to learning-it’s hands-on fun and adventure as you put the pedal to the floor and Drive Thru History.

College Funding: Funding your child’s education can be easier than you may think—if you start today! Join us for a free, one hour, educational workshop and learn about the current costs of a college education, funding options and tax advantages, pros and cons of other funding options such as loans and financial aid, and more. This class is offered in the Family Life Center by John Martin, a Thrivent Financial for Lutherans financial consultant. Sign up in the communication center by August 25.

Psalms: The psalms are much more than religious poetry. They are more than personal or congregational prayers. They proclaim Jesus Christ—His mission and passion, His resurrection and return. Each session of this study focuses on one psalm as an example of other psalm “types.” Join us in the Sanctuary as we probe the depths of the Psalter and the ancient salvation plan of God. Pastor Jon will lead this study beginning September 26 and continuing through November 21.
